Company Presentation
Q2 2026

Disclaimer

This presentation (the “Presentation”) has been prepared by Perfect Corp. (“Perfect”). The information contained in this Presentation is in summary form and does not purport to be complete.

This Presentation has been prepared without taking into account the objectives or particular requirements of any person. The information contained in this Presentation is provided for information purposes only and does not constitute investment, financial product or general advice. This Presentation should not be used as the basis for making an investment, commercial or any other decision. Recipients of this Presentation must make their own assessment and/or seek independent advice on financial, legal, tax and other matters, including the merits and risks prior to making an investment decision. No information in this Presentation may be used or relied on by any person or for any purpose without Perfect’s prior written consent. No information in this Presentation may be reproduced, disclosed to any person or referred to in any document by any person for any purpose.

This Presentation does not constitute an offer to sell, or the solicitation of an offer to buy, any securities in the United States or in any other jurisdiction, and neither this Presentation nor anything contained herein shall form the basis of any contract or commitment. Perfect and its related bodies corporate and their directors, officers, employees and agents (“Perfect Parties”) make no representation or warranty, express or implied, as to the accuracy, completeness of suitability of the information contained in this Presentation, and disclaim any liability for any claim, loss, damage, cost or expense (whether direct, indirect, consequential or otherwise) arising (whether in negligence or otherwise) out of or in connection with the use of the information contained in this Presentation, any reliance on it or any omissions in it. The information in this Presentation is provided to you on the condition that you release all Perfect Parties from any such claim, loss, damage, cost or expense. Unless otherwise specified, statements in this Presentation are made only as at the date of this Presentation and the information in this Presentation remains subject to change without notice. Perfect is under no obligation to update any information contained in this Presentation.

Forward Looking Statements

This Presentation contains certain forward looking statements. These forward-looking statements are based on the beliefs of Perfect’s management as well as assumptions made by and information currently available to Perfect’s management, and speak only as of the date of this Presentation. By their very nature, forward looking statements involve known and unknown risks, uncertainties and other factors because they relate to events and depend on circumstances that may or may not occur in the future and may be beyond Perfect’s control, which may cause the actual results or performance of Perfect to be different from the results or performance expressed or implied by such forward looking statements (and from past results, performance or achievements). These forward-looking statements include, but are not limited to, all statements other than statements of historical facts, including, without limitation, those regarding Perfect’s future financial position and results of operations, and Perfect’s strategy, plans, objectives, goals and targets. Words such as “anticipate,” “assume,” “believe,” “continue,” “could,” “estimate,” “expect,” “forecast,” “intend,” “may,” “objectives”, “outlook”, “plan,” “potential,” “predict,” “project,” “risk,” “should,” “target”, “will” or “would” or the negative of such terms or other comparable terminology or other similar expression that are predictions of or otherwise indicate future events or trends are intended to identify forward-looking statements but are not the exclusive means of identifying those statements.

Perfect can give no assurance that the forward-looking statements in this Presentation will not materially differ from actual results, and the inclusion of forward looking statements in the Presentation should not be regarded as a representation by Perfect or any other person that any such forward looking statements will come true or that any forecast result will be achieved. In addition, Perfect has not independently verified, and cannot give assurances as to, the accuracy and completeness of the market and industry data contained in this Presentation that has been extracted or derived from third party sources. Recipients of this Presentation are cautioned not to place undue reliance on forward looking statements and Perfect assumes no obligation to update such information.

Perfect’s fiscal year end is December 31. References to “FY25” are to the fiscal year ended December 31, 2025. Other fiscal years and quarters are referred to in a corresponding manner. All references to dollars or “US\$” in this Presentation are to United States dollars.

PERFECT is an AI company for beauty, fashion and creativity

Who We Serve

End-Users (B2C): Beauty & fashion enthusiasts seeking instant, personalized, and fun experiences

Business Customers (B2B): Brands and retailers needing proven, consumer-loved AI/AR to boost conversion and engagement

Space We Own

Category: Verticalized AI/AR personalization platform and mobile apps

Space: Beauty/Fashion Virtual Try-On, Generative AI for photo and video creation and enhancement, and skin analysis with the deep domain know-how.

Hybrid Business Model – Dual Revenue Streams

Hybrid business model that allows us to utilize identical technology to serve both consumers (2C) & enterprises (2B). By testing products in retail market, we gather valuable feedbacks to optimize product offerings and provide insights for brand clients.

Perfect's Beauty App Growth Moderates Amid Declining Organic Traffic Driven by AI Search Shift

Our mobile app subscribers decreased by 14.6% y/y in Q2'26

¹ As of June 30, 2026.

Multiple Avenues To Drive Growth

We see significant growth opportunities from GenAI subscriptions in mobile apps as well as, existing brands, new brands, new verticals expansion, and synergistic M&A.

Premium Gen AI Features in YouCam Apps

- ✓ Strong momentum in the growth of subscriber base.
- ✓ Continue to innovate premium features leveraging Gen AI technology photo/video editing, enhancement, and beautification.

Deepen Penetration Within Top 20 Beauty Groups

- ✓ Cross-sell to sister brands in the Groups
- ✓ Upsell more modules and functions to brands
- ✓ Enable more SKUs in all categories
- ✓ Upscale to more countries within a brand

Expand Into Skincare AI

- ✓ Growing demand for AI Skin Analysis and Skin Diagnosis.
- ✓ Engage with a larger customer base, such as med spa, aesthetic clinic, and dermatologist.

Penetrate to Fashion and Jewelry AI

- ✓ Expand product portfolio to cover a wide variety of fashion accessories and jewelry, including earrings, rings, bracelets, necklaces, and watches.
- ✓ Provide unique stacking options that allow users to try on multiple pieces at the same time.

Pursue Synergistic M&A Selectively

- ✓ Speed up brand relationships, vertical and geographies expansion
- ✓ Accelerate revenue growth and margins

Perfect's ESG Commitment

Perfect Is Green Tech & an ESG Facilitator

Consumers' growing awareness of sustainability will further accelerate brands' adoption of AR & AI, creating stronger tailwinds for Perfect.

Environmental Sustainability for Beauty

- Reduce beauty sampling / tester
- Prevent overconsumption
- Lower product returns

Everyone can benefit from Beauty AR & AI Technology

Industry

Support the industry in furthering sustainable beauty and eco-friendly practices

Brands

Help brands achieve and increase awareness of their ESG goals

Consumers

Enable consumers to support environmentally conscious brands and improve their beauty try-on experiences

Perfect AR and AI-Powered VTO Technology was named 2021 Green Product of the Year¹

¹ The Business Intelligence Group named Perfect's AI and AR-Powered VTO Technology as the 2021 Green Product of the Year in the BIG Awards for Business. For more details: <https://www.perfectcorp.com/business/news/detail/1891>

How Kao leveraged Perfect's beauty tech to achieve amazing ESG results!

Perfect has helped Kao to become more sustainable

KAO's ESG Achievements by the Numbers:

- 56 Tons Reduces Plastic Waste per Year
- 1 Million Simulations per Week
- 22 Try-ons per Visitor
